

## Approved Training Sources

Child care providers needing current certification in first aid and CPR must receive their certification from an approved source. The trainings must be American Heart Association, American Red Cross, or the equivalent.

To be equivalent the training must meet the following requirements:

- Must be face to face training with hands on skills testing.
- Must include infant and child or pediatric training.
- Must include training on Heimlich Maneuver for choking.
- Must list an expiration date on the certificate.

For your convenience, we have listed some approved sources below. If the class you wish to take is not listed, contact the Training Specialist at 801-584-8223, for approval before taking the course.
